## **The Trackers by Charles Frazier**

**Intro: We have read several novels that take place during this time period, were you aware of the art and culture works done by the WPA?**

- 1. What is your initial impressions of the characters, and how do they change?**
- 2. In the end, who do you think finds whom?**
- 3. What affect do you think art had on the general public during this time?**
- 4. How did you feel about the authors writing style in this novel?**
