

Janome Sewing Machine

Level 1

Features

- 18 stitches
- 8 sewing feet
- Built in needle threader
- Reverse stitch lever
- Bobbin winder
- Free arm capability
- Buttonhole capability

What You'll Need

- Fabric, notions, and interfacing needed for your sewing project
- Basic all-purpose sewing thread in limited colors is available for use. Bring your own thread if specific colors or specialty thread is needed.
- Universal sewing machine needles are available for use. Bring in any specialty sewing needles.

Please Note

- Turn off machine before threading or changing needles.
- Reserve the equipment ahead of your visit to ensure availability.
