

Bandsaw

Level 3

Features

- Large work surface
- Adjustable fence
- Dust collection system

What You'll Need

- Wood boards or turning stock

Please Note

- Must wear safety glasses when operating the Bandsaw.
- Resawing/ripping and cutting cylindrical stock (tree log, etc.) are not permitted on the bandsaw.
- Ask a staff member to move the saw to a location that provides more space for use.
- Use of the bandsaw requires staff oversight. Please schedule ahead. A staff member must approve the material you plan to cut.
