Horse

by Geraldine Brooks

- **Family history is a big part of this story, what are your thoughts on the impact knowing where you come from has on a person?**
- **Do the multiple time periods help or hurt the story?**
- **Did you know much about horse racing before reading this novel? Did you learn anything that surprised you?**
- **What do you think about what happened to Theo at the end? What does it say about being Black in the U.S. or in other countries?**
